RAFFLE OPENING AND CLOSING DATES

Tickets will be available for purchase through the SBNSW and ABSC websites from between the dates advertised for each raffle. Ticket sales will cease at the earlier than the advertised closing date if all 100 tickets are sold.

PRIZES AND VALUE

There will be three cash prizes drawn. The prize pool will be set at 50% of the value of all tickets sold – e.g. for 100 tickets at \$50 each the prize pool will be \$2500. In this case, **if all 100 tickets are sold** the prize values will be:

First Prize: \$1250

Second Prize: \$750

Third Prize: \$500

If less than all 100 tickets are sold each prize will be reduced proportionately in value. For example, if 80 tickets are sold, the prizes will be:

First Prize: $\$1250 * 80/100 = \1000

Second Prize: $\$750 * 80/100 = \600

Third Prize: $\$500 * 80/100 = \400

Each ticket is only eligible to win one prize.

The value of all prizes is expressed in Australian dollars (AUD).

TIME & DATE OF DRAW

The Prize draw will take place at the time advertised for each raffle. The draw will be conducted electronically by the independent service provider RandomDraws (<https://www.randomdraws.com.au/>), and winning ticket numbers will be announced as soon as available.
